THE ALL-NEW ODYSSEY

THE EXECUTIVE SUITE
The Executive Suite

Experience unrivaled comfort. Bask in luxurious style. Designed with prestige and perfection the executive truly deserves, The All-New Honda Odyssey sets the bar in automobile sophistication.
Sophisticated Styling

Captivating lines and sleek curves exude a commanding presence. A fitting tribute to the privileged few.

**LED HEADLIGHTS with LED DAYTIME RUNNING LIGHTS (DRL)**

The LED headlights with dual projectors are brighter and 50% more efficient than conventional headlights. Optimum road visibility ensures a safer drive day and night.

**17" ALLOY WHEELS**

Elegant grooves accentuate the body, giving the All-New Odyssey an impressive stance.

**SUNROOF**

Open up to the skies with a push of a button. The power tilt and slide sunroof is equipped with an anti-pinch feature.
Exclusive Space

Luxuriate in a spacious cabin exclusively designed and fitted using top-notch materials with your comfort and style in mind.
CAPTAIN CRADLE SEATS with OTTOMAN
The All-New Odyssey features Captain Cradle Seats that are especially designed for the second row passengers. It features a cradle structure, bendable seatback and ottoman for ultimate comfort and relaxation.

LOW STEP-IN HEIGHT
The ultra-low platform and large power sliding door make it easy to board or alight effortlessly.

REAR SIDE SUNSHADES
Regulate the amount of sunlight that enters the cabin with rear window shades for a cooler, cozier ride.

POWER SLIDING DOORS
Enjoy each and every journey with doors that smoothly slide open and wide for maximum convenience.

REAR ENTERTAINMENT SYSTEM
Travel made more fun and enjoyable – right in your own cabin.
Top of the Line Technology

Experience a touch of elegance with the All-New Odyssey’s top-quality interior surface and intelligent cockpit features. Its ergonomic design keeps you in command with enhanced displays and easy to reach controls.

HDMI, USB and POWER PORTS

Multiple ports make connectivity and charging easier than ever.

8-WAY POWER DRIVER SEAT

Drive in your preferred sitting position with the 8-way adjustable power seat.

SMART ENTRY WITH PUSH START BUTTON

Lock and unlock your vehicle with utmost ease with the All-New Odyssey’s Smart Entry System. Start or stop your engine with a push of a button.

TRIPLE-ZONE AUTOMATIC AIRCON

Keep the cabin temperature perfect in all weather conditions for your utmost comfort.

TOUCH SCREEN AUDIO DISPLAY WITH NAVIGATION

Take control through the 7-inch touchscreen display audio with navigation in a few simple touches.

www.hondaphil.com
VIP-Class Safety

With the Odyssey’s added features, passengers are assured of a safe and secure ride.

**MULTI-VIEW CAMERA SYSTEM**

Multi-view Camera System supports drivers by significantly improving visibility around the vehicle through images generated from multiple cameras.

**FRONT CAMERA**

Front camera helps you see objects directly in front of the car when parking or driving through an intersection with poor visibility.

**SIDE CAMERAS**

Side cameras reduce blind spots and help when driving through a narrow street.

**REAR CAMERA**

Rear camera is most useful when backing up. It makes it easy to see any obstacles behind the vehicle or check upcoming traffic.

**SMART PARKING ASSIST SYSTEM**

The Smart Parking Assist System helps the driver to park with ease. Automatic drawing input and output data assists in confirming automatic detection of the parking space by analyzing the images framed by the Multi-view Camera System.

**BRAKE LIGHTS**

The brake lights are visible from the rear of the vehicle, ensuring drivers of trailing vehicles.

**LED CORNERING LIGHTS**

The LED Cornering Lights enhance side-illumination when the vehicle is turning and parking.

**VSA (VEHICLE STABILITY ASSIST)**

The VSA system provides lateral skidding prevention and stabilized cornering.

**ESS (EMERGENCY STOP SIGNAL)**

The ESS automatically activates the hazard warning lights during hard braking to alert the drivers of trailing vehicles.

**HSA (HILL START ASSIST)**

The HSA prevents the vehicle from rolling backwards when the brake is released on an incline.

**ABS (ANTI-LOCK BRAKING SYSTEM)**

The ABS helps the driver retain steering control during hard braking, and the EBD system balances the front/rear forces during dynamic loading.

**LED ACTIVE CORNERING LIGHTS**

Travel safe and sound with LED Active Cornering Lights that enhance side-illumination when the vehicle is turning and parking.

**SMART PARKING ASSIST SYSTEM**

The Smart Parking Assist System helps the driver to park with ease. Automatic drawing input assists in confirming automatic detection of the parking space by analyzing the images framed by the Multi-view Camera System.

**SIDE CURTAIN AIRBAGS**

Travel safe and sound with 6 airbags that provide extra protection for passengers of all positions.
Highly Functional Luggage Space

The All-New Odyssey lets you reconfigure your seats to keep up with your topflight lifestyle. Enjoy maximum luggage space when the 3rd row seats are stored under the floor, or relax with more legroom when the 2nd row seats are pushed back.

Optimized for Engine Power and Fuel Efficiency

The All-New Odyssey is equipped with technology and systems that allow lower fuel consumption without compromising on performance.
Odyssey EX-V Navi Specifications

**Engine**
Earth Dreams Technology 2.4L DOHC i-VTEC
- Inline 4-cylinder, 16 valve
- Maximum Power: 175 ps @ 6,200 rpm
- Maximum Torque: 23.0 kg-m @ 4,000 rpm
- Idle Stop System with Cold Storage Evaporator
- ECO Assist System (ECON Button and ECO Coaching Ambient Meter)
- Drive-by-Wire (DBW) System
- SRS combines with Turbo Timer
